(Function Centre, Cnr Hayman Rd and Brodie Hall Dr)
http://www.techparkwa.org.au/fc_directions.htm
for how to get there...

Cost: Free (members and non-members)

Networking your way to a dream job...

- Build a network of contacts that could lead to your dream job or that next promotion
- Learn how to introduce yourself, and hold a good conversation
- Tips and strategies to put into practice to maximise your networking success (e.g. how to remember peoples names)
- Learn how to prepare for networking at a function to maximise your exposure to opportunity
- Learn the essential rules for successful networking including business card etiquette
- Winning techniques and tactics for staying touch with your contacts to maintain a strong network that will work for you
- Develop your networking plan for action and success
- Put your new skills into practice, and network with your peers over refreshments

ACS Young IT is pleased to present Ron Gibson for the first YIT event of 2005. Ron has established himself as Australia's foremost authority in the field and subject of business networking. He is a well-sought-after keynote speaker, seminar leader and trainer to business groups and organisations of many kinds, including National Australia Bank, The Swan Brewery, Alcoa World Alumina Australia, CPA Australia, Coca Cola, Australia Post, Singapore Airlines, Hyatt Regency Hotels, Jones Lang LaSalle, SGIO, RSM Bird Cameron, Commonwealth Bank, Deloitte Touche Tohmatsu, Canon, BankWest, Worley, Ernst & Young, Honeywell, Water Corporation and Mallesons Stephen Jaques...to name just a few...
